Amy Greenwood
Manager
Vital Health Pharmacy
20 Terrence Avenue
North Melbourne, VIC 3051

Dear Amy Greenwood:

Re: Naturopath Position

I am writing to express my interest in the position of Naturopath for Vital Health Pharmacy, as advertised on the Endeavour Job Board.

I am a fully qualified naturopath registered with NHAA. I completed my studies at Endeavour College of Natural Therapies last year.

For the duration of my studies, I have been working at the health food store Five Seeds. Since qualifying, I have conducted naturopathic consults in store, created individually tailored herbal formulas and treatment programs, and have continued to advise customers on the full range of vitamins and nutritional supplements. The majority of our customers return for follow up consultations, ongoing advice and supplement purchases.

As part of my degree, I have undertaken 640 hours of practical experience at the Wellnation student clinic. Additionally, I have been receiving mentoring from the respected naturopath Tony Wilson for the past year in order to develop my clinical training. I have found this to be invaluable and have further enhanced my knowledge in the area of reproductive health.

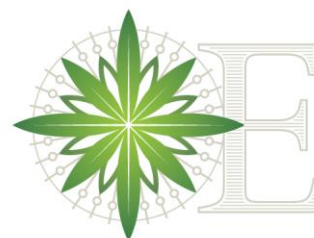

I am passionate about natural therapies and helping people to achieve the best health outcomes possible. In order to continually better my practice, I keep up to date with the latest naturopathic research by reading naturopathic journals and attending industry conferences. I am competent at considering, flagging and researching drug-herb interactions which is crucial for patient safety.

Just as important, I am a confident communicator who loves to build rapport and collaborate with both colleagues and clients. I enjoy being part of a team, and I would love the opportunity to bring my passion and naturopathic expertise to Vital Health Pharmacy.

My resume is attached, and I look forward to being able to discuss the position with you further.

Sincerely,

Rosie Watts
